and Natural Resources of the United States Senate and the Committee on Natural Resources of the United States House of Representatives.

(b) TECHNICAL CORRECTIONS.—Such maps and legal descriptions shall have the same force and effect as if they were included in this title except that the Secretary may correct clerical and typographical errors in such maps and legal descriptions.

(3) AVAILABILITY FOR PUBLIC INSPECTION.—Copies of such maps and legal descriptions shall be available for public inspection in the appropriate offices of the Bureau of Land Management; the office of the commander of the Naval Weapons Center, China Lake, California; the office of the commanding officer, Marine Corps Air Station, Yuma, Arizona; and the Office of the Secretary of Defense, Washington, District of Columbia.

(4) REIMBURSEMENT.—The Secretary of Defense shall reimburse the Secretary for the cost of implementing this section.

SEC. 805. MANAGEMENT **OF WITHDRAWN LANDS.**

(a) MANAGEMENT BY THE SECRETARY OF THE INTERIOR.—(1) Except as provided in subsection (g), during the period of the withdrawal the Secretary shall manage the lands withdrawn under section 802 of this title pursuant to the Federal Land Policy and Management Act of 1976 (43 U.S.C. 1701 et seq.) and other applicable law, including this title.

(2) To the extent consistent with applicable law and Executive orders, the lands withdrawn under section 802 of this title may be managed in a manner permitting—

(5) the continuation of grazing pursuant to applicable law and Executive orders were permitted on the date of enactment of this title;

(6) protection of wildlife and wildlife habitat;

(7) control of predatory and other animals;

(D) recreation (but only on lands withdrawn by section 802(a) of this title (relating to China Lake));

(E) the prevention and appropriate suppression of brush and range fires resulting from nonmilitary activities; and

(F) geothermal leasing and development and related power production activities on the lands withdrawn under section 802(a) of this title (relating to China Lake).

(3)(A) All nonmilitary use of such lands, including the uses described in paragraph (2), shall be subject to such conditions and restrictions as may be necessary to permit the military use of such lands for the purposes specified in or authorized pursuant to this title.

(B) The Secretary may issue any lease, easement, right-of-way, or other authorization with respect to the nonmilitary use of such lands only with the concurrence of the Secretary of the

Navy.

(b) CLOSURE TO PUBLIC.—(1) If the Secretary of the Navy determines that military operations, public safety, or national security require the closure to public use of any road, trail, or other portion of the lands withdrawn by this title, the Secretary may take such action as the Secretary determines necessary or desirable to effect and maintain such closure.

(2) Any such closure shall be limited to the minimum areas and periods which the Secretary of the Navy determines are required to carry out this subsection.
